

Student Council Meeting – 17th December 2020

1. Sports Hall and Gym

Everyone said they were extremely happy with the new facilities, the Liz Neale Hall and Stephen Miller Centre are fantastic additions to the school facilities.

Thank you to Stephen Miller, Rachel Miller, Mrs Morton and Mr Neale for coming.

Thank you to Aaron for the video work he did on the day of the opening ceremony.

Thank you to Mr Dent and Mr Vincent for all their work to get the sports hall and gym ready in time.

Trinity said that she enjoyed playing games in the new hall.

2. Reverse Advent Calendar

We did a Reverse Advent Calendar for The Food Coop. This was a HUGE success. We received a lovely email from Dave and Kath to say thank you for everyone's generosity. They were overwhelmed with the amount of food and household items that were sent in.

We would like to say a massive THANK YOU for everyone's kind donations.

3. Building/Accommodation Development

The new Liz Neale Sports Hall and Stephen Miller Centre were the first new development to happen this year. We plan to build and develop a new Therapeutic Centre in September 2021. There will be more information available after Christmas.

4. Outdoor Development

There are plans to develop the outdoor area but due to COVID things are put on hold. The plan is to get new equipment including two new basket swings. The Environment Group will be having further discussions with Mr Vincent, Mr Dent and Miss Aiken early in the New Year.

5. Fenwicks Comes to Cedars

The students decorated their classroom windows in Christmas themes for the window competition.

We would like to say thank you to the teachers for helping us decorate our windows. They looked amazing.

We would like to say thank you to Mrs Kelly, Mrs Wright, Mrs Morton and the Elf from Fenwicks for judging them.

6. Sixth Form Competition

Sixth form is having their decorated room competition on Friday 18th December.

7. Student Council Group

All four groups have had a meeting this half term and they went very well. All of the groups will have a meeting on the second week back after Christmas.

8. Miss Reay Retiring

It was agreed that it is very significant for the whole school because she has been here for 39 years. We have asked all the classes to write messages to wish her well in her retirement.

9. Pupil and Staff Well Being

We would like to focus more on the pupil's and staff wellbeing and in January we are going to come up with ideas to make wellbeing activities and strategies more prominent within the school.

10. AOB

10.1 Nettles and brambles have been looked into and this is going to be passed on to Mrs Ramsey.

10.2 The staff who are part of Student Council, on behalf of the whole school community, would like to thank the members of the Student Council for doing a great job this term.
