

## Student Council –18<sup>th</sup> September 2019

1. **Photographs.**

Students spoke about the photographer coming in and taking their photographs. Could class teachers remind students to send back proof and money if their parents/carers wish to purchase them?

2. **Computers.**

Students spoke about the issues around laptops. They suggested having a laptop monitor in each class. It was suggested that chosen students would be responsible for making sure all laptops were turned off correctly and placed on charge. Mr. Flowers and senior leadership are aware of the issues regarding laptops and that there is to be an audit.

3. **Bingo.**

Lucy has designed some posters about the crazy bingo which is happening on 27<sup>th</sup> September. Student council looked at the posters and agreed to display them around school. Could class teachers remind students about the bingo please?
