

Student Council – 12th December 2019

1. Lunches

Student council talked about school lunches and how they think they have improved. They also talked about having themed lunches and they would like more.

2. End of term assembly

Corey is going to be speaking in assembly and Aaron will be making a video. This will be of what Student Council have been doing since September.

3. STEM week

STEM: Science, Technology, Engineering and Mathematics

Mr Middlemiss has been awarded a grant of £500 for STEM, (Science, Technology, Engineering and Maths). He asked if Student council could discuss in their classes what students would like to spend the money on.

4. Staff Interviews

Blossom, Katie and Aaron kindly agreed to be the Student Council Interview Panel for a day of interviews for new Teaching Assistants. Mr Flowers, Mr Neale, Governor, and members of the Senior Leadership Group discussed each of the candidates at the end of the day. Mr Flowers and Mr Neale said how well the three students had done and that their opinions were extremely helpful.
