# FUNDRAISING EVENTS 2018/19

Cedars Academy are aiming to raise **£500,000** for a new health and wellbeing centre, specifically targeting our community and would love you to be involved in this.

We are looking for businesses who would like to support us and are interested in improving facilities for children with complex and additional needs.

We would like local businesses to donate £100 to sponsor one of our 12 rowing machines, 3 swimming lanes and 10 walking age and ability sessions.

All funds raised will go direct to helping children and families access specialised sport facilities, physiotherapy, extra-curricular clubs and appropriate out of school experiences.

As part of raising awareness and funds, we are planning a number of events to promote health & wellbeing in our school. We would love you to get involved.

### Get involved - lend a hand.....

1. Collect sponsors and come along and join us at one of our three events.
2. Share our events to raise the profile.
3. Sponsor 1 of our 12 rowing machines at £100 each, at our 'Row the Tyne' event on 26th November 2018.
4. Share 10 of these event packs with friends, family and local businesses.
5. Donate at:
